| Important Questions  | Answers   | Why This Matters:   |
|--|---|---|
| What is the overall deductible?                                      | In-network <b>\$5,000</b> /Individual;<br>\$10,000/family<br>Out-of-network <b>\$10,000</b> /Individual;<br>\$20,000/family | Generally, you must pay the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your deductible?          | Yes. Primary Care Physician visits, prescription drugs and urgent care visits   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> services at https://www.healthcare.gov/coverage/preventive-care-benefits/.  |
| Are there other deductibles for specific services?                   | No.   | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.  |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | \$8,150/Individual; \$16,300 family, in-network. Out-of-network Unlimited   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket-limits</u> .   |
| What is not included in the <u>out-of-pocket limit</u> ?             | Premiums, balance-billing charges and health care this plan doesn't cover.  | Even though you pay these expenses, they don't count toward the out-of-pocket-limit.  |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See www.mycigna.com or call (646) 381-8851 for a list of network providers   | This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a provider in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what you plan pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | No.   | This plan will pay some or all of the costs to see a specialist for covered services.   |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
